

Which one is the most **graceful**?
The **gazelle** is the most **graceful**.

Which one is the least **graceful**?
The **elephant** is the least **graceful**.

The illustration is divided into six quadrants by a large blue pencil with a magnifying glass over its tip, pointing to a central white circle. Each quadrant contains different items and animals with labels and price tags.

- Top-Left Quadrant:** Labeled "graceful" and "colorful". It contains a bear, an elephant, a parrot, a polar bear, a zebra, and a gazelle.
- Top-Right Quadrant:** Labeled "delicious" and "expensive". It contains a bowl of fruit, a slice of cheese, a slice of bread, a mobile phone (\$), a laptop (\$\$\$), and an e-book (\$\$).
- Bottom-Left Quadrant:** Labeled "expensive" and "graceful". It contains a light blue shirt (\$), a patterned dress (\$\$\$), a rhinoceros, a cheetah, and a squirrel.
- Bottom-Right Quadrant:** Labeled "delicious" and "colorful". It contains a banana, a car with a clown, a truck, a train, an ice cream cone, and a steak.

Ask and Answer

Is the **skirt** more **expensive** than the **shirt**?
Yes, it is.
No, it isn't.
